Columbus Hospice of Alabama
7020 Moon Road ♥ Columbus, GA 31909

Columbus Hospice, Inc. offers ongoing 6 week grief workshops for those who are in need of grief support from the death of a loved one.

This is an educational component to our bereavement support services that aims to teach and discuss the process and reactions to grief. Registration is required prior to attendance. It is recommended that attendees attend all sessions in order to help guide you through your beginning journey of grief.

We also continue to offer immediate grief support groups which are 60 minutes in length. We recommend attending  prior to grief support group.

Workshops are held in the Columbus Hospice Community Room near the reception area.

Following are dates/times for this quarter's  grief workshops:

**6 week Thursday Workshops
